Homecoming 2009

USG participated in the 2009 Homecoming Celebration at Buffalo State in many ways. The annual Chicken Barbecue during the Thursday Pep Rally (above) was very popular and USG President Kafilat Hassan spoke at the same event (right). The USG's Shopping Cart Float won the float competition and is seen in the Saturday parade in the far right picture.

Featured USG Member Organization of the Month:

Step Expression

Step Expression was founded in 2002. The organization has grown to become a very big part of Buffalo State College campus and therefore they have been awarded USG's Organization of the Year. Step Expression is known for having a lot of school spirit and for doing several community service projects such as participating in the Alumni Homecoming events, the Bengal 5K Run, and performing at Buffalo Psychiatric Center for the mentally ill. They have been awarded Outstanding Community Service Done by a Student Organization by the Volunteer and Service Learning Center and last year they were also awarded the best step team in Buffalo, and plan to host their Annual Step Show at Buffalo State College in November. Step Expression encourages their members to be positive role models as well as active members in the Buffalo State College community.
